Welcome Newsletter September 2018

Dear Parents and Carers,

Happy Autumn Term

This term we are going to be settling your child into our routines, rules and socialising them with their new class. We will be regularly sending home newsletters to tell you what we are learning about and any news and events.

In the near future we will be sending out home-school reading books, which we will change as regularly as possible. Please ensure you sign and make a comment when your child has read with you and then we can change their book. Our planning and notices are changed weekly on our 'Notice Board'.

Our topic this term will be 'Ourselves'. We will be learning about how we grow as we get older and how we become more independent (gross and fine motor skills).

In Mathematics we will be looking at recognizing numerals, matching numerals to amounts and counting objects accurately up to 10, knowing the last number counted is 'how many'.

Our Literacy focus will be listening with activities such as matching musical instruments to the sounds they make, hearing sounds in the environment

around them and talking with confidence in class. We will be reading to your children daily and we have a book focus each week.

The weather this Autumn will be unpredictable, so we will be looking at it and changing our weather board accordingly. We are going to look at the changes occurring in Autumn, Harvest and the colours in the environment.

Please ensure your child has a waterproof coat and spare clothes in their school bookbag. We are outside in all kinds of weather and sometimes your child will get messy. Please make sure your child's jumper and coat are clearly labelled to stop the clothing going home with the wrong child!

If you have any questions about Nursery uniform or anything else, please don't hesitate to ask at the beginning or end of the day (additionally on the Nursery Notice Board we have a photo of children wearing the appropriate uniform).. We continue to welcome all feedback on your child's learning and happiness.

Yours,

Furzefield Nursery Team

Mrs Wightman, Mrs Hamson, Mrs Jenns, Mrs Pinto and Mrs Davis
