

Furze Field Nursery School

Happy Summer Term!

Dear Parents and Carers,

This term we will be looking at the weather changes in the Summer season, focusing on planting, growing, transport and holidays.

In Mathematics we will be looking at counting accurately, matching numerals to amounts, 3D shapes and number problems related to transport.

Our literacy focus will be reading non-fiction and fiction books about plants, going on holiday and transport types.

The weather this Summer we are sure will be unpredictable. We are going to look at the changes occurring to plants in this season by planting different seeds.

Please ensure your child has a warm waterproof coat and spare clothes in their bookbag or placed on their peg. We are outside in all kinds of weather and sometimes your child will get messy. Also, due to health and safety please ensure your child has Velcro trainers only and **no earrings** or jewellery.

As you will be looking at buying new uniform in the near future, please can we remind you that nursery summer uniform is the yellow polo shirt and dark coloured shorts/green tracksuit bottoms **only**.

Yours,

Furzeffield Nursery Team

Mrs Wightman, Mrs Hamson, Mrs Jenns, Mrs Pinto and Mrs Young
