

PE Kit

Yellow PE t-shirt, black shorts, plimsolls / trainers, jogging bottoms and jumpers when weather is colder.

PE lessons are on Mondays and Thursdays

PLEASE MAKE SURE ALL YOUR CHILD'S UNIFORM AND EQUIPMENT ARE CLEARLY MARKED WITH THEIR NAME.

Jewellery - The children are allowed to wear a watch and, if they have their ears pierced, one pair of small stud earrings which **MUST** be removed for PE. No other jewellery should be worn.

Home learning

Your child should read every day. This can include reading books, magazines, comics, newspapers. Please hear your child read their school book at least 4 times per week and sign the Reading Diary each time. Their achievement in reading will be celebrated upon reaching 25 and 50 home reads where they will receive a prize.

Maths and Spelling homework will be given every Monday and will be due in on a Friday. Spellings will be tested on a Friday. Please support and encourage your child with their home learning and please get in touch should you need any advice. Home learning will be celebrated every week in The Ocean Centre.

We all follow the same three school rules:

1. We respect all members of the community
2. We follow instructions
3. We use our hands, feet and other objects in a kind way.

Furzefield Primary School

Curriculum Information
Year Three/Ocean Centre
Spring Term

English

We will be learning about stories, poetry and talking about rhyme. We will also be writing instructions. We will continue to work on handwriting and spelling. Children will read to an adult daily.

How you can help at home: Please support your child with spellings and reading, it really will make a difference!

Maths

Children will work on addition, subtraction, multiplication and division according to their level of understanding. They will be problem solving and learning about money, time, 2D/3D shape, fractions and statistics.

How you can help at home:

Support your child with their maths homework. Mathletics is another useful way of supporting your child's learning.

Science

We will be learning about humans and animals, including their nutrition, life cycle and movement, skeleton and muscles.

Then we will be learning about rocks and soils.

How you can help at home:

Encourage your child to talk about the skeleton and the human body. Look at the local environment.

PSHE

We will be looking at setting goals and achieving them and the importance of aiming high! We will then move onto self confidence and why it is 'good to be me'!

Topic

We are learning about healthy living and eating and will be doing lots of cooking! We will then complete a child led learning project based on the 'underground'.

Music

We will continue to learn the recorder. Then children will use percussion instruments to compose their own music.

How you can help at home: Login to Music World to practise the recorder at home!

Computing

We will be continuing to develop basic computing skills in MS Word and PowerPoint and developing the children's programming skills.

How you can help at home: Talking about e-safety and being safe on the internet!

Art

Art will be linked to the human body. We will be using chalk, pastels and paint to draw different parts of the body. We will also be looking at the work of Picasso.

RE

We will be looking at Christianity, specifically the bible. In the later part of the term we will be looking at the Easter story.

Extra Curricular

Year 3 Recorder Assembly
Trip to Natural History Museum

PE

We will be learning about dance and introducing a new sport in the school called Tri-Golf.

How you can help at home: Let us know how you have been keeping active!
