

PE Kit

Yellow PE T-shirt. Black shorts, plimsolls or trainers.
Jogging bottoms and jumpers when weather is colder.
The children are welcome to bring a water bottle,

PE lessons are on Tuesdays and Wednesdays.

PLEASE MAKE SURE ALL OF YOUR CHILD'S UNIFORM AND SHOES ARE CLEARLY MARKED WITH THEIR NAME.

Jewellery - The children are allowed to wear a watch and If they have their ears pierced, one pair of small stud earrings which must be removed for PE. Plasters are not allowed to be used to cover earrings during PE. No other jewellery should be worn.

Home learning

Your child should read every day. This can include reading books, magazines, comics, newspapers. Please hear your child read their school book at least 4 times per week and sign the Reading Diary each time. Their achievement in reading will be celebrated upon reaching 25 and 50 home reads where they will receive a prize.

Maths and Spelling homework will be given every Monday and will be due in on a Friday. Spellings will be tested on a Friday. Please support and encourage your child with their home learning and please get in touch should you need any advice. Home learning will be celebrated every week in The Ocean Centre.

We all follow the same three school rules:

1. We respect all members of the community
2. We follow instructions
3. We use our hands, feet and other objects in a kind way.

Furzefield Primary School

**Curriculum Information
Year Four/Ocean Centre
Spring Term**

English

We will be learning about stories, poetry and talking about rhyme. We will also be writing instructions. We will continue to work on handwriting and spelling. Children will read to an adult daily.

How you can help at home:

Please support your child with spellings and reading, it really will make a difference!

Reading eggs is another very useful way of

Maths

Children will work on addition, subtraction, multiplication and division according to their level of understanding. They will be problem solving and learning about money, time, 2D/3D shape, fractions and statistics.

How you can help at home:

Support your child with their maths homework.

Mathletics is another useful way of supporting your child's learning.

Science

Sound

The children will be investigating how sound travels through different materials. They will also be discovering how we can change the pitch and volume of a sound.

Animals, including Humans

The children will be looking at the digestive system in human beings and what happens to food from teeth to toilet. This topic includes a trip to the Natural History Museum to look at teeth in other animals.

PE

PE topics are on a rotation because of the swimming lessons offered in Year 4. The main topics are: gymnastics, dance, handball/dodgeball and tennis/tri-golf.

How you can help at home:

Ensure that your child has the appropriate kit in school.

Topic learning

Our focus for this term will be history. We will be finding out about the Greeks, the developments that occurred in their era and how this relates to us now.

How you can help at home:

Discuss what you know about the Greeks.

Computing

We will revisit issues of e-safety at regular occasions.

We are becoming meteorologists this term. We will be checking the weather regularly and creating our own weather forecast.

How you can help at home:

You could check the weather with them at home on the news or on an app.

RE

Our main topics is milestones. Our learning in RE will also support the special events of the Easter.

How you can help at home:

Discuss what and how you celebrate milestones at home.

Music

We will be moving on with our recorders, learning a few more songs with the notes we know and maybe learning a few more.

How you can help at home:

Listen to a variety of different genres of music.
