

### P.E. Kit

Yellow P.E. t-shirt. black shorts, plimsolls/trainers for indoor lessons (Monday). Jogging bottoms and jumpers when weather is colder or when outside (Friday).

**PE lessons are on Thursday and Friday.**

**PLEASE MAKE SURE ALL YOUR CHILD'S UNIFORM AND EQUIPMENT ARE CLEARLY MARKED WITH THEIR NAME.**

Jewellery - The children are allowed to wear a watch and if they have their ears pierced, one pair of small stud earrings which must be removed for PE. No other jewellery should be worn.

Nail varnish is strictly forbidden and should be removed immediately.

### Homework

Your child should read every day. This can include reading books, magazines, comics, newspapers. Please hear your child read their school book at least 4 times per week and sign the Reading Diary each time. Their achievement in reading will be celebrated upon reaching 25 and 50 home reads where they will receive a prize.

Maths and Spelling homework will be given every Monday and will be due in on a Friday. Spellings will be tested on a Friday. Please support and encourage your child with their home learning and please get in touch should you need any advice. Home learning will be celebrated every week in The Ocean Centre.

### We all follow the same three school rules:

1. We respect all members of the community
2. We follow instructions
3. We use our hands, feet and other objects in a kind way.

# Furzefield Primary School

**Curriculum Information**  
**Year Six/Ocean Centre**  
**Spring Term**

## English

We will be learning about stories, poetry and talking about rhyme. We will also be writing instructions. We will continue to work on handwriting and spelling. Children will read to an adult daily.

### How you can help at home:

Please support your child with spellings and reading, it really will make a difference!  
Reading Eggs will also help to develop reading skills.

Maths Children will work on addition, subtraction, multiplication and division according to their level of understanding. They will be problem solving and learning about money, time, 2D/3D shape, fractions and statistics.

### How you can help at home:

Support your child with their maths homework.  
Mathletics is another useful way of supporting your child's learning.

## Science

This term we are learning about Light and will follow this unit by learning about Forces.

### How you can help at home:

Please support this learning at home by researching any of the listed topics.

## History

For this next term we will be learning about the Vikings and Anglo Saxons. We will be discovering more about these civilisations, who they were, what they did and the impacts this has had on our lives today.

### How you can help at home:

Spend some time researching these groups. What can you find out? Share your learning with family and friends.

## Computing

We are using our skills of coding to create our own computer games.

## Geography

Our geography topic this term will be closely linked with our Viking and Anglo Saxon unit in History.

### How you can help at home:

You can help support your child at home by discussing topical issues and current affairs around the world.

## RE

We will be exploring what faith is, how faith can differ and the difference it can make in people's lives.

### How you can help at home:

Consider your family traditions—these do not have to be religious. How do you spend quality time as a family? What makes you feel happy?

## Music

This term we will be creating our own melody using percussion instruments and creating a music video to go with it.

### How you can help at home:

Listen to some classical music and discuss the instruments you can hear.

## PE

Our P.E lessons will include dance and gymnastics with a focus on movement and developing their skills when striking and fielding. We will also be continuing our 10 minutes of movement everyday :)

### How you can help at home:

Why not try and take up a new sport at home?
