

PE Kit

Yellow PE T-shirt. Black shorts, Plimsolls / trainers
Jogging bottoms and jumpers when weather is colder

PE lessons are on Wednesdays

PLEASE MAKE SURE ALL YOUR CHILD'S UNIFORM AND EQUIPMENT ARE CLEARLY MARKED WITH THEIR NAME.

EARRINGS SHOULD BE TAKEN OUT FOR PE DAYS.

Home learning

Reading-

Your child should try to read every day. Please ensure that 4 sessions of reading are recorded in their reading record book and each one is signed by you. Don't forget Reading Eggs online as well. Home learning will be celebrated every week in The Ocean Centre.

Mental Maths-

Please continue with Mathletics online as well as practising counting aloud, counting objects and talking about real life number problems. It would be useful to talk about money and begin to use coins to pay for small items.

We all follow the same three school rules:

1. We respect all members of the community.
2. We follow instructions.
3. We use our hands, feet and other objects in a kind way.

Furzefield Primary School

Curriculum Information
YEAR 1/ Ocean Centre
Spring Term

English

We will be learning about stories, poetry and talking about rhyme. We will also be writing instructions and letters. We will continue to work on handwriting and spelling. Children will read to an adult daily.

How you can help at home: Please support your child with phonics and reading, it really will make a difference!

We will also be visiting the new Merstham Library.
Portugal—21st February 2018

Maths

We will be developing our recognition of number and our counting skills. We will be working on addition and subtraction, and doubling and halving. We will also be learning about money and time. We will have lots of practical activities and opportunities to develop our mathematical vocabulary.

How you can help at home:

Familiarise your child with recognising coins. Talk about the time, dates and seasons. Practise counting and sing number songs and rhymes.

Science

We are learning about Materials and their origins. We will study touch as part of our 'senses' through a number of sorting experiments. We will be observing aspects of the season of Spring and how it changes into Summer.

How you can help at home:

Get outside to observe the changing weather and seasons. Talk about materials in the home and environment. Think about textures and qualities of these materials.

Art & DT

We will be looking at sculpture from other artists and creating our own. Making Spring collages and drawing changes as Spring starts to emerge. As part of our Traditional tales topic we will be making miniature puppets of fairy tale characters.

Spring Term

History

We will be learning about kings and queens and comparing Queen Elizabeth and Queen Victoria. We will be hosting a medieval banquet. We will be going on a history linked school trip.

Computing

As part of our Computing curriculum we will be revising our basic skills on the laptops and we will become storytellers, using video cameras and sound equipment.

PE

We will also be covering dance and continuing Yoga skills to keep us calm and improve our concentration.

Children can go online to www.cosmickids.com to practise some of their yoga moves. Any opportunities to play any ball games at home would enhance their skills.

Music

Children will be listening to a variety of different styles of music. We will link music to our computing and think about sound effects and character voices for our own tales.

Values

As part of our values lessons we will be discussing the topics of unity and simplicity.

RE

We will be looking at who Jesus is and learning about the Easter story.
