

PE Kit

Yellow PE t-shirt, black shorts, plimsolls / trainers,
jogging bottoms and jumpers when weather is colder.

PE lessons are on Mondays and Thursdays

PLEASE MAKE SURE ALL YOUR CHILD'S UNIFORM AND EQUIPMENT
ARE CLEARLY MARKED WITH THEIR NAME.

Jewellery - The children are allowed to wear a watch and, if they have their ears pierced, one pair of small stud earrings which **MUST** be removed for PE. No other jewellery should be worn.

Home learning

Your child should read every day. This can include reading books, magazines, comics, newspapers. Please hear your child read their school book at least 4 times per week and sign the Reading Diary each time. Their achievement in reading will be celebrated upon reaching 25 and 50 home reads where they will receive a prize.

Maths and Spelling homework will be given every Monday and will be due in on a Friday. Spellings will be tested on a Friday. Please support and encourage your child with their home learning and please get in touch should you need any advice. Home learning will be celebrated every week in The Ocean Centre.

We all follow the same three school rules:

1. We respect all members of the community
2. We follow instructions
3. We use our hands, feet and other objects in a kind way.

Furzefield Primary School

**Curriculum Information
Year Three/Ocean Centre
Summer Term**

Year 3 Curriculum Information Leaflet - Summer Term

English

We will be learning about stories, poetry and talking about rhyme. We will also be writing recounts linked to forest school. We will continue to work on handwriting and spelling. Children will read to an adult daily.

How you can help at home: Please support your child with spellings and reading, it really will make a difference! They can also access Reading Eggs.

Maths

Children will work on addition, subtraction, multiplication and division according to their level of understanding. They will be problem solving and learning about money, time, measure, 2D/3D shape, fractions and statistics.

How you can help at home:

Support your child with their maths homework. Mathematics is another useful way of supporting your child's learning.

Science

We will be learning about light and shadow. Then we will be learning about magnets and forces. In both topics we will be conducting lots of experiments to help support the children's learning.

How you can help at home:

Encourage your child to talk about the day and night. Discuss different forms of light and shadows.

Talk about forces, friction, movement and magnets.

PSHE

We will be looking at relationships, this will include relationships with family, friends and teachers.

We will then move onto changes, this will set the children up for

Topic

We are learning about the Romans!

How you can help at home:

Talk about the history of the Romans and bring to school some interesting facts!

Music

We will begin to read musical notation and understand the language used in music. We will create music using percussion instruments and base this on the Romans and their invasion of Britain.

Computing

We will be developing the children's programming and coding skills.

How you can help at home:

Talking about e-safety and being safe on the internet!

Art

Art will be linked to our Roman topic. We will be creating clay pots, mosaics and developing our sketching skills.

RE

We will be learning about the church and places of worship. Then in the later part of the summer term we will be learning about Hinduism.

Extra Curricular

Create a large scale mosaic with an artist

Roman Day

Forest School

A trip to GoApe!

PE

We will be learning to play rounders and quik cricket, alongside athletics.

How you can help at home:

Bring in PE kits!
