

PE Kit

Yellow PE T-shirt. Black shorts and trainers.

Jogging bottoms and jumpers when weather is colder.

PE lessons are on Tuesdays and Thursday.

Please make sure all your child's uniform and shoes are clearly marked with their name.

Jewellery – earrings must be removed for PE. Plasters are not allowed to be used to cover earrings during PE, so if your child is unable to remove them on their own please remove them before school.

Home learning

Maths and English homework will be set on Monday and should be handed in on Friday.

Spellings will be given out and tested on Wednesdays.

Your child should read every day. Reading will be celebrated every week and the children will move on their class Reading Race.

Your child should work on Mathletics, Times Table Rock Stars and Reading Eggs at home.

We all follow the same three school rules:

1. We respect all members of the community
2. We follow instructions
3. We use our hands, feet and other objects in a kind way.

Furzefield Primary School

Curriculum Information

Year Four

Summer Term

English

Fiction text - Macbeth and play scripts.
Poetry - witches spells / Kit Wright 'The magic box'
Non-fiction text - Famous people - William Shakespeare
Recounts - What I did at Forest school
Following and listening to instructions
We will continue to work on fine motor activities to help develop handwriting skills.
Children will read to an adult daily.

How you can help at home:

Please support your child by reading their school book with them everyday and reading and sharing other fiction and non-fiction text with them, it will help develop their vocabulary and really will make a difference.
Reading Eggs is another fun and useful way of supporting your child's learning and develop-

Maths

We will be focussing on these areas of learning this term: place value, the four operations, measurement - using a ruler, capacity - ml and litres, weight - g and Kg, geometry - 2D and 3D shapes names and properties, collecting data - Venn diagrams and word problems.

How you can help at home:

Regular work on times tables.
Support your child with Mathletics and Home-work.

Science

Living Things and their Habitats

We will be focussing on living things and how they can be grouped in a variety of ways. We will be exploring and using classification keys to help group, identify and name a variety of living things in our local environment.

How you can help at home:

Encourage your child to spend time outside at

Music

We will be continuing to work on rhythmic patterns and will be using this to create our own patterns.

How you can help at home:

Listen to your child practise and discuss similar

PE

PE topics are on a rotation because of the swimming lessons offered in Year 4. The main topics are: Athletics, La Crosse and Volleyball.

How you can help at home:

Ensure that your child has the appropriate kit in school.

Topic learning

Our focus for this term will be art. We will be taking into consideration the children's interests from our Science unit and other areas of the curriculum and using this as inspiration. We will be completing a sketch book and experimenting with colour.

How you can help at home: Encourage your child to draw from life.

Computing

We will revisit issues of e-safety at regular occasions.
We will be focussing on the 'We Are Toy Makers' topic in Computing this term. We will be creating an interactive toy game using Scratch.

How you can help at home:

RE

We will be learning about Christianity, specifically, worship around the world. We will also learn about Sikhism and related values.

How you can help at home:

Talk to your child about their beliefs and how we are part of a society with a variety of beliefs and religions.
