

PE Kit

Yellow PE t-shirt. black shorts and trainers.

Jogging bottoms and jumpers when weather is colder.

PE lessons are on Tuesdays and Fridays.

PLEASE MAKE SURE ALL YOUR CHILD'S UNIFORM AND EQUIPMENT ARE CLEARLY MARKED WITH THEIR NAME.

Jewellery – The children are allowed to wear a watch and, if they have their ears pierced, one pair of small stud earrings which must be removed for PE. No other jewellery should be worn. Nail varnish is strictly forbidden and should be removed immediately.

Home learning

Maths and English homework will be provided each **Monday**, with the expectation that it is returned and completed by **Friday**. If at any point your child experiences difficulty please do not hesitate to contact the class teacher before the day it is due in. This will allow your child to receive any additional support or guidance that they may require.. In addition to this your child may access 'Mathletics', 'Reading Eggs ' or 'Read Theory' at any point to consolidate their learning.

Your child should read every day. Please ensure that 5 sessions of reading are recorded in their reading record book and each one is signed. Their achievement in reading will be celebrated upon reaching 50 home reads where they will receive a prize.

We all follow the same three school rules:

1. We respect all members of the community
2. We follow instructions
3. We use our hands, feet and other objects in a kind way.

Furzefield Primary School

Curriculum Information

Year Five

Summer Term

English

Fiction text - Macbeth and play scripts.

Poetry - witches spells / Kit Wright 'The magic box'

Non-fiction text - Famous people - William Shakespeare

Recounts - What I did at Forest school

Following and listening to instructions

We will continue to work on fine motor activities to help develop handwriting skills.

Children will read to an adult daily.

How you can help at home:

Please support your child by reading their school book with them everyday and reading and sharing other fiction and non-fiction text with them, it will help develop their vocabulary and really will make a difference.

Reading Eggs is another fun and useful way of supporting your child's learning and

Maths

We will be focussing on these areas of learning this term: place value, the four operations, measurement - using a ruler, capacity - ml and litres, weight - g and Kg, geometry - 2D and 3D shapes names and properties, collecting data - Venn diagrams and word problems.

How you can help at home:

Regular work on times tables.

Support your child with Mathematics and Homework.

Science

This term in Science, we will be learning all about the properties of changing materials. We try to ensure that Science lessons are as practical as possible and much like our other core subjects fun for all to be involved! We will be developing our confidence within investigations.

How you can help at home:

Please support this learning at home by researching any of the listed topics and talking about shared knowledge.

History

This term we are going to be linking our History through our Art focus. We will be learning about two famous artists; Henri Matisse and Georgia O'Keefe. We are going to study their lives, their work and what may have inspired them.

How you can help at home: Please support this learning at home

Geography

This term we are going to be linking our Geography through our Art focus. We will be learning about two famous artists; Henri Matisse and Georgia O'Keefe. We are going to study their lives, their work and what may have inspired them.

How you can help at home: Please support this learning at home by researching any of the listed topics.

Computing

Alongside recapping E-Safety within class, we will be developing our basic computing skills this term. Ensuring we feel confident saving, creating and editing new files, understanding how to use different programs and increasing the speed of our typing.

How you can help at home: Please support this learning at home by reiterating

RE

This term we are going to be learning about the beliefs and traditions within Hinduism. We will be learning about sacred texts, buildings and festivals.

How you can help at home:

Please support this learning at home by researching any of the listed topics.

Music

During the Summer term we are going to be learning about famous composers. We will then of course help Year 6 with their Summer performance!

How you can help at home: Please support this learning at home by encouraging your child!

PE

This term we will be playing rounders to develop our striking and fielding skills. We will also be developing our athletics. We want to build our confidence within these areas, team building and communication skills.

How you can help at home: Please support this learning at home by discussing the importance of fair play.
