

PE Kit

Yellow P.E. t-shirt. black shorts, plimsolls for indoor lessons. Jogging bottoms, jumpers and trainers when the weather is colder or when outside.

PE lessons are on Mondays and Thursdays.

PLEASE MAKE SURE ALL YOUR CHILD'S UNIFORM AND EQUIPMENT ARE CLEARLY MARKED WITH THEIR NAME.

Jewellery – The children are allowed to wear a watch and if they have their ears pierced, one pair of small stud earrings which must be removed for PE. No other jewellery should be worn.

Nail varnish is strictly forbidden and should be removed immediately.

Home learning

Maths and English homework will be provided each Monday, with the expectation that it is returned and completed by Friday. In addition to this your child may access Mathletics and Reading Eggs at any point to consolidate their learning. The codes for these will be stuck in their homework books.

Spellings will be tested each Wednesday and sent home on Thursdays.

Your child should read every day. Please ensure that 5 sessions of reading are recorded in their reading record book. Their achievement in reading will be celebrated in class through the reading race.

We all follow the same three school rules:

1. We respect all members of the community
2. We follow instructions
3. We use our hands, feet and other objects in a kind way.

Curriculum Information

Year Five/Ocean

Spring Term

English

We will be continuing our topic of ‘The ocean’ and will be reading stories and poems linked to the theme. We will also focus on using map skills to locate and name the seas and oceans. Throughout the term we will also be working on our phonics, spelling and handwriting.

How you can help at home:

Keep reading daily and practise weekly spellings..

Maths

This term we will continue to work on our addition and subtraction skills focussing on mental calculations. We will also be working on measure, looking at time and length linked to our theme.

How you can help at home:

Practise mental addition and subtraction at home. Weekly Maths homework and mathletics.

Science

This term in Science, we will be learning all about the Earth and Space and changes of materials. We will learn about the geocentric and heliocentric models of our Solar System. Our science lessons are always very exciting as we love to conduct experiments and be as practical as possible.

How you can help at home:

Why not help us research our favourite planet? Or even monitor the changes of the moon during the lunar cycle? You could even share your own knowledge of the stars with us.

History

This term we are learning History linked with the Victorians. This will include how people lived, differences and similarities through time and key events in history that have impacted our lives today. We will even be spending the day as a Victorian child on our trip to Guildford, during Topic Week in February.

How you can help at home: Why not help us research the different inventions the Victorians created? You could even talk to us about how technology has developed further over the years.

Queen Victoria

Geography

This term, our Geography lessons will be linked with our History. Alongside these lessons, we will be developing our mapping skills in our Forest School sessions.

How you can help at home: Why not help us create a map of our local area? Or even our house?

RE

This term we are going to be learning about the beliefs and traditions within Christianity. We will be learning about sacred texts, buildings and festivals. We will also be attending the Easter Experience in Reigate.

How you can help at home: Ask your child what they have learnt about other cultures and traditions.

Computing

Alongside recapping E-Safety within class, we will be beginning to develop our web development understanding.

How you can help at home: Reiterate at home the importance of e-safety and model how to protect yourself online.

PE

This term we will be learning how to play netball. All of these team games will enable us to develop our ball skills and teamwork. We will also be looking at the traditional dance the Haka.

How you can help at home:

Please help us remember our P.E. kit on the correct days and ensure we have the appropriate clothing and footwear.
