

P.E. Kit

Yellow P.E. t-shirt. black shorts, plimsolls/trainers for indoor lessons. Jogging bottoms and jumpers when weather is colder or when outside.

PE lessons are on Wednesday and Friday.

PLEASE MAKE SURE ALL YOUR CHILD'S UNIFORM AND EQUIPMENT ARE CLEARLY MARKED WITH THEIR NAME.

Jewellery – The children are allowed to wear a watch and if they have their ears pierced, one pair of small stud earrings which must be removed for PE No other jewellery should be worn.

Nail varnish is strictly forbidden and should be removed immediately.

Home learning

Maths and English homework will be set on Monday and should be handed in on Friday.

Spellings will be given out on Monday and tests are on Fridays.

Your child should read every day at home.

Homework will be celebrated every week with children receiving a sticker for every time they read at home, complete maths homework and learn their spellings.

Your child can work on Mathletics, Times Table Rock Stars and Reading Eggs at home.

We all follow the same three school rules:

1. We respect all members of the community
2. We follow instructions
3. We use our hands, feet and other objects in a kind way.

Furzefield Primary School

Curriculum Information

Ocean / Year Six

Spring Term

English

Fiction text - a different version of a classic fairy tale to help develop memory and story language.

Non-fiction text - linked to materials and their properties. We will also be writing letters and instructions.

We will continue to work on fine motor activities to help develop hand-writing skills. Children will read to an adult daily.

How you can help at home:

Please support your child by reading their school book with them everyday and reading and sharing other fiction and non-fiction text with them, it will help develop their vocabulary and really will make a difference.

Reading Eggs is another fun and useful way of supporting your child's learning and development.

Maths

We will be developing our recognition of number and counting forwards and backwards, and will also be looking at place value and what value each digit represents.

We will continue to work on addition and subtraction, and link this to multiplying, dividing and fractions.

We will also be learning about money and time.

Practical activities and opportunities will help develop mathematical vocabulary.

How you can help at home:

Count aloud forward and backwards.

Look for numbers in real life situations e.g. bus numbers, car registration plates, when out shopping.

Familiarise your child with recognising coins.

Science

This half term we are learning about living things and their habitats. We will be classifying and investigating a variety of different living organisms. Next half term is very exciting because we will be conducting experiments and investigations into different light sources.

How you can help at home:

Please support this learning at home by researching any of the listed topics.

History

For the next term we will be learning about World War two and the impact it had on the rest of the world. We will focus our attention on the devastation and destruction both locally and nationally.

How you can help at home:

Why not visit the local war museum at Reigate Priory, or if your feeling more adventurous take a trip to London and spend the day at the Imperial War Museum.

Ocean Centre

Computing

We are using our skills of coding to create our own computer games.

Geography

Our geography topic is focussed around our class names of Mozambique, Mauritius and Mali based in the continent of Africa. We will be researching the history of Africa including the topics of physical geography, human rights, food security and fair trade.

How you can help at home:

You can help support your child at home by discussing topical issues and current affairs.

RE

We will be exploring how the Hindu faith is expressed through worship, with particular emphasis on symbols and celebrations.

How you can help at home:

Research the meaning behind Hindu symbols.

Music

This term we will be creating our own melody using percussion instruments and creating a music video to go with it.

How you can help at home:

Listen to some classical music and discuss the instruments you can hear.

PE

On Friday P.E lessons will include dance and gymnastics with a focus on balance. On Wednesday we will be developing their ball skills through playing basketball.

How you can help at home:

Watching the Champion's League? Why not discuss the rules and results together?
