

P.E. Kit

Yellow P.E. t-shirt, black shorts, plimsolls/trainers for indoor lessons (Monday). Jogging bottoms and jumpers when weather is colder or when outside (Friday).

PE lessons are on Thursday and Friday.

PLEASE MAKE SURE ALL YOUR CHILD'S UNIFORM AND EQUIPMENT ARE CLEARLY MARKED WITH THEIR NAME.

Jewellery - The children are allowed to wear a watch and if they have their ears pierced, one pair of small stud earrings which must be removed for PE. No other jewellery should be worn.

Nail varnish is strictly forbidden and should be removed immediately.

Homework

Your child should read every day. This can include reading books, magazines, comics, newspapers. Please hear your child read their school book at least 4 times per week and sign the Reading Diary each time. Their achievement in reading will be celebrated upon reaching 25 and 50 home reads where they will receive a prize.

Maths and Spelling homework will be given every Monday and will be due in on a Friday. Spellings will be tested on a Friday. Please support and encourage

We all follow the same three school rules:

1. We respect all members of the community
2. We follow instructions
3. We use our hands, feet and other objects in a kind way.

Furzefield Primary School

Curriculum Information
Year Six/Ocean Centre
Summer Term

English

We will be learning about stories, poetry and talking about rhyme. We will also be writing recounts linked to forest school. We will continue to work on handwriting and spelling. Children will read to an adult daily. Your child will also be creating a transition booklet about their new school.

How you can help at home:

Please support your child with spellings and reading, it really will make a difference! They can also access Reading Eggs.

Maths Children will work on addition, subtraction, multiplication and division according to their level of understanding. They will be problem solving and learning about money, time, measure, 2D/3D shape, fractions and statistics.

How you can help at home:

Support your child with their maths homework.

Mathletics is another useful way of supporting your child's learning.

Science

This term we are learning about Electricity/Light and will follow this unit by developing our scientific enquiry skills.

How you can help at home:

Please support this learning at home by researching any of the listed topics.

Independent Study

For our final term, we will be completing independent projects based on our year.

Each child will have the opportunity to conduct their own project (creating something). They must manage their time, plan resources and follow each step carefully and we hope enthusiastically!

We will be developing our DT skills, have opportunities for a range of art lessons and build our confidence when speaking and listening about ideas. We will be supporting every pupil throughout this learning journey, to maximise enjoyment and product satisfaction.

Independent Study—How you can help at home:

Help your child create their plans, collect resources from home to support the study at school. Encourage creativity and exploration of a range of ideas.

Computing

We are using our skills of coding to create our own computer games.

RE

We will be exploring what faith is, how faith can differ and the difference it can make in people's lives.

How you can help at home:

Consider your family traditions—these do not have to be religious. How do you spend quality time as a family? What makes you feel happy?

Music

This term we will be learning individual tracks to sing / perform, begin to write our own music and align these skills for our summer performance.

How you can help at home:

Listen to some varied music and discuss the instruments you can hear.

PE

This term, our PE lessons are going to begin with cricket coaching every Friday. We are looking for rising talent! We will then be focussing on athletics and continuing our 10 minutes of movement everyday :)

How you can help at home:

Why not try and take up a new sport at home?
