Curriculum Information
Year Two
Autumn Term

English

We will be learning, retelling and reinventing the story of *The Gruffalo*. We will use the story of the *Gruffalo* to write instructions and recipes. Additionally, we will learn, retell and reinvent our own Dragon reports. We are going to be learning about adjectives and practising sentence structure.

How you can help at home:

- Practise spellings
- Daily reading (1:1)
- Reading Eggs

Maths

This term, we will be reviewing our counting and number knowledge. In class we will practise counting forwards and backwards, drawing numbers, identifying the four operations and start to solve number problems.

How you can help at home:

- Mathletics
- Counting forwards and backwards
- Times tables (2, 5, 10)

Science

This term we will be investigating the properties of different materials and finding out what objects are made from and why. Later on in the term we will start looking at living things and their habitats.

How you can help at home:

- Explore things around you
- Read non-fiction books
- Ask lots of questions

PSHE

This half term we will be beginning the new year by learning about co-operation, unity and respect. How can we show respect to others and be a responsible member of our community.
