

PE Kit

Yellow PE T-shirt. Black shorts and trainers.

Jogging bottoms and jumpers when weather is colder.

PE lessons are on Tuesdays and Thursday.

Please make sure all your child's uniform and shoes are clearly marked with their name.

Jewellery – earrings must be removed for PE. Plasters are not allowed to be used to cover earrings during PE, so if your child is unable to remove them on their own please remove them before school.

Home learning

Maths and English homework will be set on Monday and should be handed in on Friday.

Spellings will be given out and tested on Wednesdays.

Your child should read every day. Reading will be celebrated every week and the children will move on their class Reading Race.

Your child should work on Mathletics, Times Table Rock Stars and Reading Eggs at home.

We all follow the same three school rules:

1. We respect all members of the community
2. We follow instructions
3. We use our hands, feet and other objects in a kind way.

Furzefield Primary School

Curriculum Information

Year Four

Summer Term

English

In English this term we will be working on Play Scripts. (with a link to our Greek Topic work). We will also write an adventure story based on 'The Snail and The Whale'; followed by Persuasive Writing and Poetry.

How you can help at home:

Read a variety of texts together regularly.
Support your child with Reading Eggs and homework.

Maths

We will be focussing on these areas of learning this term: place value, sequences, the four operations, measurement, geometry, statistics and word problems. The children are in groups for Maths and there is an exciting approach to learning. Please speak to your child's group teacher if you have any specific questions about the learning in their group.

How you can help at home:

Regular work on times tables.
Support your child with Mathletics and Homework.

Science

Living Things and their Habitats

We will be focussing on living things and how they can be grouped in a variety of ways. We will be exploring and using classification keys to help group, identify and name a variety of living things in our local environment.

How you can help at home:

Encourage your child to spend time outside at weekends to explore their local environment.

Music

We will be continuing to work on rhythmic patterns and will be using this to create our own patterns.

How you can help at home:

Listen to your child practise and discuss similar patterns you find when listening to music at home.

PE

PE topics are on a rotation because of the swimming lessons offered in Year 4. The main topics are: Athletics, La Crosse and Volleyball.

How you can help at home:

Ensure that your child has the appropriate kit in school.

Topic learning

Our focus for this term will be art. We will be taking into consideration the children's interests from our Science unit and other areas of the curriculum and using this as inspiration. We will be completing a sketch book and experimenting with colour.

How you can help at home:

Computing

We will revisit issues of e-safety at regular occasions. We will be focussing on the 'We Are Toy Makers' topic in Computing this term. We will be creating an interactive toy game using Scratch.

How you can help at home:

You could look at Scratch information on the internet and even try some things together.

RE

We will be learning about Christianity, specifically, worship around the world. We will also learn about Sikhism and related values.

How you can help at home:

Talk to your child about their beliefs and how we are part of a society with a variety of beliefs and religions.
