

PE Kit

Yellow PE T-shirt. Black shorts and trainers.

Jogging bottoms and jumpers when weather is colder.

PE lessons are on Tuesday and Thursday.

Please make sure all your child's uniform and shoes are clearly marked with their name.

Jewellery – earrings must be removed for PE. Plasters are not allowed to be used to cover earrings during PE, so if your child is unable to remove them on their own please remove them before school.

Home learning

Maths and English homework will be set on Monday and should be handed in on Friday.

Spellings will be given out and tested on Wednesdays.

Your child should read every day. Reading will be celebrated every week and the children will move on their class Reading Race.

Your child should work on Mathletics, Times Table Rock Stars and Reading Eggs at home.

We all follow the same three school rules:

1. We respect all members of the community
2. We follow instructions
3. We use our hands, feet and other objects in a kind way.

Furzefield Primary School

Curriculum Information

Year Four

Spring Term

English

We will be focussing on non-fiction writing this term linking to our topic of Ancient Greeks and our trip to Bough Beech.

Writing will include:

Writing our own Myths,

Writing a non-chronological report about water and a recount of our trip.

Our English lessons will be cross curriculum with computing, geography and science.

How you can help at home:

Read a variety of texts together regularly.

Support your child with Reading Eggs and Homework.

Be an audience for your child's talking about their trip to Bough Beech and what they learnt there.

Encourage them to learn their spellings .

Maths

We will be focussing on these areas of learning this term: place value, sequences, addition and subtraction, multiplication and division, shape and space, fractions and word problems.

The children are in groups for Maths and there is an exciting approach to learning. Please speak to your child's group teacher if you have any specific questions about the learning in their group.

How you can help at home:

Regular work on times tables, including Times table Rockstars.

Support your child with Mathletics and Homework.

Science

States of Matter; The children will be comparing and grouping materials together, according to whether they are solids, liquids or gases.

Sound; The children will be identifying how sounds are made, recognising that vibrations from sounds travel through a medium to the ear. Finding patterns between pitch of a sound and features of the object that it produced it.

How you can help at home: Identify sound spots, focussing on vibration and pitch.

PE: PE topics are on a rotation because of the swimming lessons offered in Year 4. The main topics are: Circuits, Cross country running, Yoga, Netball, Dodgeball, Orienteering, Tri golf and tennis.

How you can help at home: Ensure that your child has the appropriate kit in school.—named.

Topic learning

This term the children will be learning about the Ancient Greeks. We will be learning about the ancient civilisation including their mythology.

How you can help at home:

Look at a variety of books regarding Ancient Greece.

Computing

Through the wider curriculum we will be learning how to produce a presentation using Power-Point and how to create a leaflet using Microsoft Word. In our Computing lessons we will be focusing on Word processing skills and Online safety.

How you can help at home: Discuss Online safety.

RE

We will be learning about Christianity. In particular why praying is important. We will also learn about the Easter story.

How you can help at home:

Discuss with your child the main events of Easter.

Music

We will be following the Surrey Arts scheme of work, singing songs and playing the recorder.

How you can help at home:

Ask your child which songs they have been learning.
