

### PE Kit

Yellow PE t-shirt. black shorts and trainers.

Jogging bottoms and jumpers when weather is colder.

**PE lessons are Mondays and Thursdays.**

PLEASE MAKE SURE ALL YOUR CHILD'S UNIFORM AND EQUIPMENT ARE CLEARLY MARKED WITH THEIR NAME.

Jewellery – The children are allowed to wear a watch and, if they have their ears pierced, one pair of small stud earrings which must be removed for PE. No other jewellery should be worn. Nail varnish is strictly forbidden and should be removed immediately.

### Home learning

Maths and English homework will be provided each **Monday**, with the expectation that it is returned and completed by **Friday**. If at any point your child experiences difficulty please do not hesitate to contact the class teacher before the day it is due in. This will allow your child to receive any additional support or guidance that they may require.. In addition to this your child may access 'Mathletics', 'Reading Eggs ' or 'TT Rockstars' at any point to consolidate their learning.

Your child should read every day. Please ensure that 5 sessions of reading are recorded in their reading record book and each one is signed. Their achievement in reading will be celebrated upon reaching 50 home reads where they will receive a prize.

### We all follow the same three school rules:

1. We respect all members of the community
2. We follow instructions
3. We use our hands, feet and other objects in a kind way.

# Furzefield Primary School

## Curriculum Information

Year Five

Summer Term

**English**

This term we will be learning all about pirates and traditional stories. We will be learning how to write non-chronological reports, instructions, play scripts and developing our confidence within drama. Additionally, we will be securing our understanding of vocabulary, sentence structure, use of punctuation and spelling.

**How you can help at home:**

Please support this learning at home by reading daily with your child, helping with homework and develop use of language. Remember Reading Eggs!

**Maths**

This term in Maths we will be developing our understanding and confidence when working with square, cube and prime numbers. We will also be learning about statistics; line graphs, tables and probability. We will also be recapping and consolidating all of our learning from this year.

**How you can help at home:**

Please support this learning at home by practising the times tables with your child and support any homework tasks set. Remember Mathematics!

**Science**

This term in Science, we will be learning all about the properties of changing materials. We try to ensure that Science lessons are as practical as possible and much like our other core subjects fun for all to be involved! We will be developing our confidence within investigations. We will also be looking at human development through the unit Animals, including Humans.

**How you can help at home:**

Please support this learning at home by researching any of the listed topics and talking about shared knowledge.

**History**

This term we are going to be linking our History through both our Art and English. We will be learning about famous designers and how fashion has progressed through the 20th and 21st centuries. We will also be looking at the history behind piracy and some historically significant figures.

**How you can help at home:** Please support this learning at home by researching any of the listed topics and talking about shared facts.

**Geography**

This term we are going to be linking our Geography through our English topic, Pirates. We will be looking at the lives of famous pirates, where it all began and compare this to modern day piracy.

**How you can help at home:** Please support this learning at home by researching any of the listed topics.

**Computing**

Alongside recapping E-Safety within class, we will be developing our basic computing skills this term. Ensuring we feel confident saving, creating and editing new files, understanding how to use different programs and increasing the speed of our typing.

**How you can help at home:** Please support this learning at home by reiterating the importance of E-Safety for all children using computing.

**RE**

This term we are going to be learning about the beliefs and traditions within Hinduism. We will be learning about sacred texts, buildings and festivals.

**How you can help at home:** Please support this learning at home by researching any of the listed topics.

**Music**

During the Summer term we are going to be building up to writing a piece of music. We will then of course help Year 6 with their Summer performance!

**How you can help at home:** Please support this learning at home by encouraging your child!

**PE**

This term we will be playing rounders to develop our striking and fielding skills. We will also be developing our athletics. We want to build our confidence within these areas, team building and communication skills.

**How you can help at home:** Please support this learning at home by discussing the importance of fair play.
