PE lessons are on Tuesday and Thursdays.

PLEASE MAKE SURE ALL YOUR CHILD'S UNIFORM AND EQUIPMENT ARE CLEARLY MARKED WITH THEIR NAME.

Jewellery - The children are allowed to wear a watch and if they have their ears pierced, one pair of small stud earrings which must be removed for PE. No other jewellery should be worn.

Nail varnish is strictly forbidden and should be removed immediately.

Home learning

Your child will be given a login for: **Times Table Rockstars**, **Mathletics**, **Read Theory** and **Spelling Frame** which they can access at any time to consolidate their learning and complete set tasks.

Your child should read every day. Please ensure that 5 sessions of reading are recorded in their reading record book and each one is signed. Their achievement in reading will be celebrated upon reaching 50 home reads where they will receive a prize.

We all follow the same three school rules:

1. We respect all members of the community
2. We follow instructions
3. We use our hands, feet and other objects in a kind way.

Curriculum Information
Year Five
Autumn Term 1

English

This term we will be learning all about Roald Dahl, focussing on *The Twits*. We will be exploring the characteristics of *The Twits* and writing recounts, engaging biographies, play scripts, newspaper reports and recipes.

How you can help at home:

You can help your child by hearing them read daily and asking them questions about their book. You can also talk to them about their character for Roald Dahl Day. **On the 14th of September**

Maths

This term, in maths we will be developing our understanding and confidence when using the four operations to calculate with, tackle worded problems, learn about number sequences and begin to consolidate knowledge within *Geometry* (shape, space and measure).

How you can help at home:

You can support this learning by practicing the times tables regularly and allowing your child to access Times Tables Rock Stars and Mathletics. Why not create your own set of flash cards to help learn the multiples?

Science

This term, will be studying forces and how they act upon the world around us. Our science lessons are always very exciting as we love to conduct experiments and be as practical as possible.

How you can help at home:

Talk to your children about their learning in Science and ask them questions such as: What forces do you already know? Can they tell you about the different forces?

History

In history, after Christmas, we will be learning about the Victorians and the Mayans.

How you can help at home:

Conduct your own research at home, how many interesting facts can you find out about the Victorians and the Mayans?

Oceania

Geography

Our first Geography topic is based around the continent of Oceania. We will be learning about human and physical features of the country our classes are named after. We will also learn about their culture and traditions. We will then look at rivers, lakes, oceans, and the water cycle.

How you can help at home:

Can you find your class country on a world map?
Can you find the continents on a map?

RE

In RE, we are going to be learning about different beliefs and traditions. We will learn about the sacred texts, places of worship and festivals. We are also looking at the meaning of wisdom in a variety of religions.

How you can help at home:

Ask your child what they have learnt about other cultures and traditions.

Computing

Initially we will focus on the importance of e-safety and how to protect ourselves online. We will then use our skills of coding to create our own computer games.

How you can help at home:

Reiterate at home the importance of e-safety and model how to protect yourself online. Talk to them about their online interactions and being kind online.

PE

This term, we will be learning about yoga and developing our running skills.

How you can help at home:

Can you show your adult some of the yoga poses?
