

P.E. Kit

Yellow P.E. t-shirt. black shorts, plimsolls/trainers for indoor lessons (Monday). Jogging bottoms and jumpers when weather is colder or when outside (Tuesday).

PE lessons are on Monday and Tuesday.

PLEASE MAKE SURE ALL YOUR CHILD'S UNIFORM AND EQUIPMENT ARE CLEARLY MARKED WITH THEIR NAME.

Jewellery – The children are allowed to wear a watch and if they have their ears pierced, a pair of small stud earrings which must be removed for PE. No other jewellery should be worn. Nail varnish is strictly forbidden and should be removed immediately.

Homework

Maths and English homework will be provided each Monday, with the expectation that it is returned and completed by Friday. In addition to this your child may access Mathematics and Reading Eggs at any point to consolidate their learning.

Your child should read every day. Please ensure that 5 sessions of reading are recorded in their reading record book and each one is signed. Their achievement in reading will be celebrated upon reaching 50 home reads where they will receive a prize.

We all follow the same three school rules:

1. We respect all members of the community
2. We follow instructions
3. We use our hands, feet and other objects in a kind way.

Curriculum Information

Ocean Centre / Year Six

Autumn Term

English

Our English topic for this term is 'The Ocean'. We will be finding out about animals that live in the sea and writing fact files. After half term we will be looking at creative writing based on the book 'Commotion in the ocean'. Throughout the term we will be working on our spelling and handwriting.

How you can help at home

Reading eggs and daily reading.
particular interests.

Maths

This term we will be concentrating on ordering numbers, addition and subtraction. We will also look at 2D and 3D shapes. Later on in the term we will be recognising and using coins and money in practical situations.

How you can help at home:

Please practise counting forwards and backwards to 30. Mathematics is another useful way of supporting your child's learning.

Science

This half term we are learning about living things and their habitats. We will be classifying and investigating a variety of different living organisms. Next half term is very exciting because we will be conducting experiments and investigations into different light sources.

How you can help at home:

Please support this learning at home by researching any of the listed topics.

History

For the next term we will be learning about World War two and the impact it had on the rest of the world. We will focus our attention on the devastation and destruction both locally and nationally.

How you can help at home:

Why not visit the local war museum at Reigate Priory, or if your feeling more adventurous take a trip to London and spend the day at the Imperial War Museum.

Ocean Centre

Computing

We are using our skills of coding to create our own computer games.

Geography

Our geography topic is focussed around our class names of Kenya and Madagascar based in the continent of Africa. We will be researching the history of Africa including the topics of physical geography, human rights, food security and fair trade.

How you can help at home:

You can help support your child at home by discussing topical issues and current affairs.

RE

We will be exploring how the Christian faith is expressed through worship, with particular emphasis on the Christmas story.

How you can help at home:

Research how Christmas is celebrated in other countries.

Music

This term we will be creating our own melody using percussion instruments and creating a music video to go with it.

How you can help at home:

Listen to some classical music and discuss the instruments you can hear.

PE

On Monday P.E lessons will include dance and gymnastics with a focus on balance. On Tuesday they will be developing their skills at invasion games.

How you can help at home:

Watching the football? Why not discuss the rules and
