

P.E. Kit

Yellow P.E. t-shirt, black shorts, plimsolls/trainers for indoor lessons. Jogging bottoms and jumpers when weather is colder or when outside.

PE lessons are on Thursdays and Fridays

PLEASE MAKE SURE ALL YOUR CHILD'S UNIFORM AND EQUIPMENT ARE CLEARLY MARKED WITH THEIR NAME.

Jewellery - The children are allowed to wear a watch and if they have their ears pierced, one pair of small stud earrings which must be taped up for PE. No other jewellery should be worn.

Nail varnish is strictly forbidden and should be removed immediately.

Home Learning

Your child will be given a login for: **Times Table Rockstars, Mathletics, Read Theory** and **Spelling Frame** which they can access at any time to consolidate their learning and complete set tasks.

Your child should read every day. Please ensure that 5 sessions of reading are recorded in their reading record book and each one is signed. Their achievement in reading will be celebrated upon reaching 70 home reads where they will receive a prize.

We all follow the same three school rules:

1. We respect all members of the community
2. We follow instructions
3. We use our hands, feet and other objects in a kind way.

Furzefield Primary School

Curriculum Information
Year Six
Autumn Term

English

This term our English lessons will be linked to our history topic of World War Two. Children will be learning about and writing diaries, emotive poetry, autobiographies, recounts, instructions and culminating in an interactive and exciting Home Front experience at Henley Fort.

How you can help at home:

Conduct independent research into the history of World War Two and how it affected the local area. Do you have any relatives that can share their stories or artefacts?

Maths

We are excited to continue using Times Table Rockstars and look forward to progressing through the awards. This term in maths we will be developing our understanding and confidence when using the four operations to calculate with, tackle worded problems, learn about number sequences and begin to consolidate knowledge within geometry (shape, space and measure).

How you can help at home:

Regularly work on times tables and support your child further with Mathletics and Times Table Rockstars.

Science

This half term we are learning about Living Things and their Habitats. We will be classifying and investigating a variety of different living organisms. Next half term is very exciting because we will be conducting experiments and investigations into different light sources.

How you can help at home:

Please support this learning at home by researching any of the listed topics.

History

For the next term we will be learning about World War Two and the impact it had on the rest of the world. We will focus our attention on the devastation and destruction both locally and nationally.

How you can help at home:

Why not visit the local war museum at Reigate Priory, or if your feeling more adventurous take a trip to London and spend the day at the Imperial War Museum.

World War 2

Computing

We are using our skills of coding to create our own computer games.

Geography

Our geography topic is focused around our class names of Ivory Coast and Ghana based in the continent of Africa. We will be researching the history of Africa including the topics of physical geography, human rights, food security and fair trade.

How you can help at home:

You can help support your child at home by discussing topical issues and current affairs.

RE

The children will be introduced to Hinduism and how it differs to other known religions. We will then explore how the Christian faith with particular emphasis on the Christmas story.

How you can help at home:

Research how Christmas is celebrated in other countries.

Music

This term we will be creating our own melody using percussion instruments and through the Charanga programme we will be learning what elements are required to create a song.

How you can help at home:

Why not listen to some classical music and discuss the instruments you can hear?

PE

Once a week we will be progressing with our new P.E platform, Jasmine with a focus on physical fitness. We will alternate on the other day by going outside when the weather allows, to develop their skills in football and netball.

How you can help at home:

Watching the football? Why not discuss the rules and techniques used by the players?
