

#### P.E. Kit

Yellow P.E. t-shirt, black shorts, plimsolls/trainers for indoor lessons and when the weather is warm. Jogging bottoms and jumpers when weather is colder.

**PE lessons are on Thursday and Friday.**

**PLEASE MAKE SURE ALL YOUR CHILD'S UNIFORM AND EQUIPMENT ARE CLEARLY MARKED WITH THEIR NAME.**

Jewellery - The children are allowed to wear a watch and if they have their ears pierced, one pair of small stud earrings which must be removed for PE. No other jewellery should be worn.

Nail varnish is strictly forbidden and should be removed immediately.

#### Homework:

Your child will be given a login for: **Times Table Rockstars**, **Mathletics**, **Read Theory** and **Spelling Frame** which they can access at any time to consolidate their learning and complete set tasks.

Your child should read every day. Please ensure that 5 sessions of reading are recorded in their reading record book and each one is signed. Their achievement in reading will be celebrated upon reaching 70 home reads where they will receive a prize.

#### We all follow the same three school rules:

1. We respect all members of the community
2. We follow instructions
3. We use our hands, feet and other objects in a kind way.

## Furzefield Primary School

## Curriculum Information Year Six Summer Term

## English

This term our English lessons will be linked to discussions and debate skills. We are beginning by considering whether Y6 pupils should have the SATs—a very topical issue! Following this topic, we will be looking at 'Tracking' with the children to test their observation and awareness skills.

### How you can help at home:

Play Kim's game! Have a selection of objects and try to remember them. Cover them up and see how you did! Remove objects to make this more challenging.

## Maths

This term will begin with a revision purpose tailored towards success in our SATs. We will be developing our arithmetic skills and confidence within reasoning (applying maths understanding in context). Following this half term, our maths lessons will focus on real life problem solving and investigations.

### How you can help at home:

Regularly work on times tables and support your child further with Mathletics and TT Rockstars.

## Science

This term we are learning about Electricity and will follow this unit by developing our scientific enquiry skills.

### How you can help at home:

Please support this learning at home by researching any of the listed topics.

## Independent Study

For our final term, we will be completing independent projects based on our year.

Each child will have the opportunity to conduct their own project (creating something). They must manage their time, plan resources and follow each step carefully and we hope enthusiastically!

We will be developing our DT skills, have opportunities for a range of art lessons and build our confidence when speaking and listening about ideas. We will be supporting every pupil throughout this learning journey, to maximise enjoyment and product satisfaction.

## Computing

We are working on our Microsoft skills and coding.

## Independent Study—How you can help at home:

Help your child create their plans, collect resources from home to support the study at school. Encourage creativity and exploration of a range of ideas.

## RE

We will be exploring what faith is, how faith can differ and the difference it can make in people's lives.

### How you can help at home:

Consider your family traditions—these do not have to be religious. How do you spend quality time as a family? What makes you feel happy?

## Music

This term we will be learning about musical notation. This will involve reading and creating our own rhythms and melodies.

### How you can help at home:

Listen to some varied music and discuss the instruments you can hear.

## PE

This term, our PE lessons are going to begin with cricket. We will then be focussing on athletics and continuing our 30minutes of movement everyday in preparation for Sports Day and District Sports :)

### How you can help at home:

Why not try and take up a new sport at home?
