## **Kit's a Hit! Furzefield Primary School given new equipment by Premier League**

Pupils attending Furzefield Primary School, in Merstham, were excited to receive the delivery of a free Premier League Primary Stars equipment pack.

Stocked full of items including Nike match footballs, training bibs and numbered and lettered floor markers, the Premier League equipment pack will aid teacher delivery of active lessons across the curriculum and within extra curricular clubs.

The equipment pack was awarded to pupils at Furzefield Primary School following, the school's Sports Lead, Miss Schofield's successful application for last year's Premier League Primary Stars Kit and Equipment Scheme.

The scheme supports the Premier League Primary Stars education programme which uses the appeal of Premier League and professional football clubs to inspire children at primary schools across England and Wales and give them the opportunity to learn, be active and develop important life skills. At Furzefield sports staff in years 3 and 4 are working with Crawley Town Football Club to deliver the Premier League Primary Stars education programme.

PLPrimaryStars.com offers primary school teachers free curriculum-linked resources. Mr Wigley, PE co-ordinator, said: "The kit and equipment packs provide a fantastic boost to schools at the start of the new school year. We hope we can inspire children to do their best in the classroom and on the sports field."
