

Coats

Please make sure that your child has a named coat in school every day.

PE Kit

PE kits will not be needed until after Christmas. If you want to buy kit ready for next term, your child will need a pair of black shorts and a yellow t-shirt.

PLEASE MAKE SURE ALL UNIFORM, INCLUDING SHOES, IS CLEARLY MARKED WITH YOUR CHILD'S NAME.

Jewellery - Jewellery is not permitted in Reception due to the high level of activity we have during the day.

Water Bottles—please ensure all bottles are named and only contain water,

Home learning - The Reading Race

Your child should read every day. Please ensure that daily sessions of reading are recorded in their reading record book and each one is signed by you. Reading books will be changed once a week.

The children will earn points for each day that they read. Once they get to 50 points, they will receive a prize.

We will collect in reading records every Monday.

Don't forget you can also go on 'Reading eggs' and 'Teach your monster to read' - the logins for these are in your reading diary.

We all follow the same three school rules:

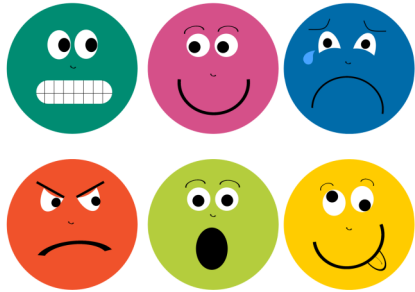

1. We respect all members of the community
2. We follow instructions
3. We use our hands, feet and other objects in a kind way.

Topic Information
Reception
Autumn Term 1

Topic

About Me

Over the next half term we will be focusing our learning in Reception around the topic of 'About me' and 'Autumn.'

Here are some activities that we will be completing in school, and some ideas you can try at home to support your child's learning. We hope you will enjoy them.

Dates for your diary

You will receive letters about all of these events nearer the time.

Thursday 20th October 2.30pm - Harvest Festival

Parents Evening Dates TBC

Communication Language and Literacy

We will begin to learn our set 1 sounds in our 'Read Write Inc' phonic lessons. We will be looking at the first 20 high frequency words. We will be sharing stories with a theme of starting school and Autumn. In their Reading Diary you will find their login to Reading Eggs. This is an online educational programme. Please take the time to start this program with your child at home and allow them to work on the levels as well as play the games. Your child will also be bringing home a library book and a reading book. Please find 5 minutes each day to read with your child and remember to fill in their reading diary.

Mathematics

We will be focusing on number this term and will be learning number songs and will begin with recognising numbers to 10+ using 'Numberblocks'. We will sort, write and count as well as play games with these numbers. To help at home you could look for numbers on packaging or talk about your house number. Begin practicing to write numbers.

Physical development

Write Dance will focus on feelings and Autumn. The children will also spend time over this half term exploring the areas around reception.

To help at home you could go for a colour walk - looking for colours in the world around you. You could also talk to your child about what they have done that day and how they are feeling as the term progresses.

Creative development

We will be drawing pictures of ourselves and our family as we get to know each other. We will also be making pictures using different media and colours that link to Autumn.

You could help at home by making pictures together, especially of your family, and talking about what they have done as well as finding different media to create patterns with. Music is taught on a Wednesday during our Activity Days.

Knowledge and Understanding of the World

We will be ensuring that the children understand and follow the new routines that develop with school life. We will also talk about school rules and explore the similarities and differences between home and school. We will also look at changes that Autumn brings and discuss why this happens. To help at home you could ensure that routines are in place and talk about why these are important.
